58%

OF MAJOR EVENTS IN A PERFORMANCE ARE FORGOTTEN WITHOUT FOOTAGE

LOOKING FOR MORE DETAIL?

Watch the footage more than once, you might have missed something the first time

- Watch the footage in slow motion
- Use the frame by frame button on your screen to watch in super slow motion to get every little detail

WATCH MORE THAN ONE CLIP

- Not every performance will be the same
- Are you seeing the same thing in every clip?
- If it's different, how so?

WRITE DOWN WHAT YOU SEE

- Keep notes of your analysis
- Without notes you'll forget 58% of what you watched!
- When it comes to watching new footage, you will be able to compare more easily
