

# Dragon Sport Football

## 2 Goal

Activity Card

Dragon Sport  
Campau'r Ddraig

### Let's play

- 4v4 in a small square garden
- Each team has a 3 'outfield' players and 1 'goalkeeper'
- Set up a goal at either end for the goalkeepers to guard
- Game starts with a pass from centre spot. Try to score a goal against the other team's goalkeeper for one point
- Goalkeepers can kick, punch or throw the ball to score 2 points
- Goalkeepers can use any part of their body to make a save
- Decide as a group how often you should change the goalkeeper e.g. after every score, after 5 goals, etc.
- Add in your own rules as you are playing – if you don't think something was fair, stop the game and talk to your team mates and the other team to decide what to do next time it happens.
