# Tips to Managing Uncertainty

sportwales chwaraeoncymru

### **Accept Uncertainty**

Acknowledge that this is an uncertain time and that things will change regularly

# Focus on what you can control

Establish routines and give your days structure

# Practice self-care

Look after yourself Don't forget about the things that *you* need

# Use your support network

Identify the people in your support network Use the technology available to stay connected

#### **Breathe**

Help manage any stress by controlling your breathing Take deep breaths in (counting to 4) and deep breaths out (counting to 6)

# T.

#### Stay present

Stay connected with the present moment Try brief mindfulness exercises: focus on your breathing or pay attention to 3 things you can hear, see, and feel

### **Practice gratitude**

Write down one thing that you are grateful for today
